

G'day Reader,
Welcome to Holdite's periodic newsletter where we hope to bring you articles of interest, details of new products, special offers, perhaps a reminder of some of our forgotten products and even some humour. If you want to give us any feedback please send your comments to marketing@holdite.com.au We would welcome your thoughts and suggestions for future content.

This month we are trying to reduce stocks of our Coupling or joiner nuts. Below are the special prices For both zinc yellow plated and HDG nuts. Just mention this newsletter when placing an order.

Size	Pack Size	Zinc Yellow \$/100	Galvanised S/100
M10	100	\$18.40	\$18.75
M12	100	\$21.25	\$21.50
M16	50	\$40.00	\$44.00
M20	50	\$96.00	\$96.00
M24	50	\$114.00	\$128.00

FORGOTTEN CORNER

Shear nuts

Holdite stocks an extensive range of both zinc plated and hot dipped galvanised shear nuts. Used in high security permanent applications shear nuts are easy to use. They require no special tooling and once installed leave a tamper resistant assembly. Go to www.holdite.com.au for more details or just give us a call.
